Hi Stacey. I had a call yesterday afternoon with DOJ so your timing is perfect. The following people would like to see the site:

Adam Bain, DOJ Civil Division, cell number

Personal Phone/Ex. 6

Will Powers, DOJ Civil Division, cell number

Walt Shields, consultant, Exponent

Scott Shock, consultant, Exponent

They also want to see some of the downstream sampling locations. The plan is for them to meet me in Durango Monday afternoon. I will check in at the incident command center in Durango and meet with Dan Wall. I am hoping Dan can accompany us the next day to Silverton and meet up with Hays Griswold. Hay and Dan will give us a tour of the mine and discuss sampling protocols.

Hi Andrea –

You and I were to have spoken on Monday, but I dropped the ball. Can you update Nancy, who I have copied here, and also me by way of cc on the status of the DOJ visit to the GKM site.

Thanks,

Stacey
